## Curriculum

### Hebrew

Have you ever heard “but Hebrew reading is boring”? Move over and make room for Aleph Champ, modeled after the Karate/Martial Arts system. Aleph Champ motivates students as they advance in rank from White to Red and all the way to Black Belt, as they learn to read Hebrew in an efficient, well-orchestrated and fun manner.

### Torah (Bible) and Jewish History

Throughout the year your children will be learning Jewish History to give them a sense of Jewish pride and identity. Your children can expect to cover from the creation of the world until the Jewish Exodus from Egypt. History will be taught in a story form as well through games, projects, dramatizations and contests.

### Holidays

Hands-on lessons on each Jewish holiday will fill the calendar as we proceed from Rosh Hashanah and the High Holidays through the holiday of Shavuot. Expect your children to learn in depth about the following holidays; Rosh Hashanah, Yom Kippur, Sukkot, Simchat Torah, Chanuka, Tu Bishvat, Purim, Pesach, Lag B’omer, and Shavuot. The students will have a deeper understanding of each holiday and its traditions and customs. Chabad Hebrew School will also host holiday celebrations for our students and their families.

### Jewish Values and Ethics

Using the various textbooks the students will read and discuss stories and case scenarios that have practical application to our everyday life. They will understand that our religion is based on a G-d given set of

values and morals and that the “norm” is not always in the right.

## Mitzvot: Why We Do What We Do

Why do women light Shabbat candles? Why is Shabbat such a special day in the week? Why do we have a Mezuzah on our doors? This class will teach basic Mitzvot to the younger grades and provide insightful meaning of more complex Mitzvot to the older grades.

## Arts and Crafts

Art projects are incorporated into our curriculum to add to the excitement of the upcoming holidays and Mitzvot. Our projects will have Jewish holiday and Mitzvot themes and will add a taste of Jewish life at home.

## Extra Curricular

Chabad Hebrew School will offer a variety of extra curricular activities such as Friday night dinners, family fun days and contests. These events will allow our students to experience Judaism in its entirety. A point system based on in-class and out-of-class participation will allow students to reach different award levels.

## Parent/School Communication

If your child is not able to attend class for any reason, please notify in advance. Parents should arrange for their children to arrive on time. To maximize our learning time and to avoid distractions to the class, your cooperation is appreciated. Incentives and rewards are given out daily to those who arrive on time.

## Supplies

Textbooks and workbooks will be provided for each student. The students will get a list of supplies that are needed for their class. All boys are encouraged to bring and wear a Kipah and Tzitzit for all classes. If you do not have a Kipa or Tzitzit, Hebrew School will provide one for you.

## Tzedakah

Tzedakah (charity) is a basic value in Judaism. Our school attempts to develop a commitment among our students to share with others less fortunate than themselves by donating a few pennies a day to charity. Please try to send some coins to school each day to help encourage your child to perform this Mitzvah.

## Snack

During Hebrew School there will be a 15 minute break during which the children will get a snack. In the event of a birthday party, parents are asked that arrangements should be made in advance with your child's Hebrew studies teacher.
